TESTIMONIALS

Wedding M&S

We really had the best wedding that we could ever think of!! My mailbox is just full with wonderful compliments, I think this was for 99% of the guests the best wedding they have ever been to.

Everything was just perfect, the food, the service, the set up, I cannot give you any single feedback for improvement The food was just amazing, and last but not least the service was also just 10/10.

Thanks for all and see you soon!

Wedding I&L

We really had an indescribable weekend. Very cliché, but we really had the best days of our lives. We only heard positive things from our guests too! Your crew was super friendly and helpful! They really deserve great compliments.

Wedding L&B

It was fantastic!!! We all thoroughly enjoyed an unforgettable weekend. From the moment we arrived to the last step outside was perfect. So we would like to sincerely thank you for your cooperation, which was remotely constructive. Also a thank you for making our wishes come true.

Thank you to the the team who were briefed and knew what was expected of them. Kudos to the service and last but not least the kitchen team, who again conjured heavenly flavours on our plates.

For the beautiful bouquets, we would also like to thank the florist you work with. We will be back, not to get married again, but to enjoy ourselves.

Wedding L&S

Everything went perfectly and as we wanted it to. We are extremely satisfied with how the organisation helped on the day. We also said this to the staff several times. Thank you for everything! We will cherish this day forever and want to visit La Butte aux Bois again for our anniversaries.
